Dear Bob:

I do want to thank you for your outstanding support to the ceremony for laying the cornerstone at CIA's New Headquarters Building. Your advice and counsel for this ceremony were greatly appreciated. I think that the ceremony went off quite well and have heard many favorable comments. Of course, some of the compliments should be directed to you because you worked very hard in making the ceremony a success. I do appreciate everything you did to coordinate this program. We are very proud of the New Building and this ceremony, over which the Vice President presided, puts the icing on the cake.

Again, Bob, thank you very much.

Sincerely,

Harry H. Fitzwater
